LAW

OF THE REPUBLIC OF ARMENIA

Adopted by the National Assembly on 27 December 1997

ON STATE DUTY

CHAPTER I

GENERAL PROVISIONS

Article 1. Subject matter of the Law

This Law shall define:

- the concept of state duty in the Republic of Armenia,
 - types of duties and rates,
 - the duty payers,
 - the procedure for and conditions of levy and reimbursement of duty, granting of privileges,
- and shall regulate other relations pertaining to state duty.

Article 2. Concept of state duty

In the Republic of Armenia, state duty is a mandatory payment prescribed by law, paid to the State and (or) community budgets of the Republic of Armenia by natural and legal persons for services or actions prescribed by this Law, driven by the execution of powers of state bodies.

(Article 2 amended by HO-123 of 13 December 2000)

(Article with regard to amendment to Law HO-339-N of 11 September 2024 shall enter into force from 1 January 2026)

(Law HO-339-N of 11 September 2024 has a transitional provision)

CHAPTER II

STATE DUTY PAYERS, THEIR RIGHTS AND OBLIGATIONS

Article 3. State duty payers

In the Republic of Armenia natural and legal persons making use of the services or actions provided for in Article 7 of this Law shall be considered as state duty payers (hereinafter referred to as "state duty payers").

(Article 3 amended by HO-123 of 13 December 2000)

(Article with regard to amendment to Law HO-339-N of 11 September 2024 shall enter into force from 1 January 2026)

(Law HO-339-N of 11 September 2024 has a transitional provision)

Article 4. Rights of state duty payers

State duty payers shall have the right to:

- request the body responsible for charging state duty to make a calculation of the duty and also a re-calculation, if necessary;
- appeal against actions of the body or officials responsible for charging state duty, by way of superiority, as well as through judicial procedure;
- apply to respective state bodies to be granted privileges for payment of the state duty;
- receive a statement of information on the payment of state duty;
- in cases provided for in this Law, request and receive the amount of state duty subject to reimbursement.

(Article 4 amended by HO-111-N of 9 February 2018)

Article 5. Obligations of state duty payers

State duty payers shall be obliged to:

- make a timely and full payment of state duties prescribed by this Law;
- submit documents substantiating the payment of state duty to bodies or officials providing services and carrying out actions upon payment of state duty, except for the cases when the state duty is paid for granting a licence and (or) each enclosure, providing a duplicate copy of a licence and (or) each enclosure, extending the validity of the licence and (or) each enclosure, reformulating the licence and (or) each enclosure, performing the same activity subject to licensing

in another place as well, granting a permission for implementation of activity or a duplicate copy of the document attesting the right to permission, extending the validity of the permission for implementation of activity, reformulating the permission for implementation of activity;

- submit documents attesting the privileges reserved to them in relation to the payment of state duty;

- in cases prescribed by this Law, pay to the State Budget the amounts of penalty calculated for the failure to pay the state duty on time.

(Article 5 amended by HO-123 of 13 December 2000, supplemented by HO-49-N of 29 April 2013, HO-123-N of 29 June 2016, supplemented, amended by HO-432-N of 16 November 2022)

(Law HO-432-N of 16 November 2022 has a transitional provision)

Article 6. Termination of liability for state duty

Liability of legal persons for the payment of state duty shall terminate by the fulfilment of this obligation, by exemption from the payment of state duty, by abolition of the state duty or on other grounds prescribed by law; and for natural persons — by fulfilment of the obligation, by exemption from the payment of state duty, by abolition of the state duty or in case of the death of the state duty payer.

(Article 6 amended by HO-123 of 13 December 2000, supplemented by HO-283 of 14 December 2001, amended by HO-11-N of 15 December 2005)

(Article with regard to amendment to Law HO-339-N of 11 September 2024 shall enter into force from 1 January 2026)

(Law HO-339-N of 11 September 2024 has a transitional provision)

Article 6.1. Termination of liability for the payment of annual state duty

1. Irrespective of the provisions referred to in Article 6 of this Law, the liability of natural persons and organisations for the payment of the regular annual state duty shall terminate:

(1) by the fulfilment of this liability through payment of the amounts of regular annual state duty by the rates and within the time limits prescribed by this Law (the amount of the state duty shall be considered as paid from the day when accrued to the respective account of the State Budget of the Republic of Armenia), as well as through payment of the amounts of penalties prescribed by this Law for their late payment, by exemption from the payment of the annual state duty, by abolition of the annual state duty by law, as well as in case of the death of a natural person;

(2) in case of termination of validity (revocation) of documents (rights, permissions, patent certificates, licences, qualification certificates) issued as a result of delivery of services or performance of actions deemed as objects chargeable with the annual state duty by the authorised body in the manner prescribed by the legislation of the Republic of Armenia or in case of termination of notified activity – prior to the last day of the time limit prescribed by this Law for the payment of the regular annual state duty;

(3) where the annual state duty payer, prior to the last day of the time limit prescribed by this Law for the payment of the regular annual state duty or the termination of notified activity, files an application with the authorised body on the termination of validity (revocation) of documents (rights, permissions, patent certificates, licences, qualification certificates) issued as a result of delivery of services or performance of actions deemed as objects chargeable with the annual state duty by the authorised body or on the termination of notified activity and in case of further granting of this application.

Where the annual state duty payer files the application with the authorised body on the termination of validity (revocation) of a right, permission, patent certificate, licence or qualification certificate or on the termination of notified activity after the last day of the time limit prescribed by this Law for the payment of the regular annual state duty, in case the application is granted, only a penalty shall be calculated starting from the last day of the time limit prescribed by this Law for the payment of the regular annual state duty (where a later date is specified in the application — from that day) up to the day of filing the application for the termination (revocation) of an action or notified activity. Where a date earlier than the day of filing the application is specified in the application the penalty shall be calculated up to the day of filing the application for the termination of validity (revocation) of a right, permission, patent certificate, licence or qualification certificate or the termination of notified activity;

(4) in respect of the regular annual state duty as from the day of entry into force of the respective law, in case the type of activity subject to granting of patent certificates, permissions, licensing, granting of qualifications, or notification is not subject to granting of patent certificates, permissions, licensing, granting of qualifications, or notification.

2. In case of suspension of a patent certificate, permission, licence or qualification certificate or notified activity in the manner prescribed by the legislation of the Republic of Armenia (except for cases of revocation of a patent certificate, permission, licence or qualification certificate or termination of notified activity as prescribed by the legislation of the Republic of Armenia upon an application within the period of suspension) the amounts of the regular annual state duties shall be

subject to payment, irrespective of the grounds and time limits of suspension of a patent certificate, permission, licence or qualification certificate or notified activity.

3.

(Article 6.1 supplemented by HO-11-N of 15 December 2005, supplemented, amended by HO-14-N of 26 February 2013, amended, supplemented and edited by HO-124-N of 13 November 2015)

(Article with regard to amendment to Law HO-339-N of 11 September 2024 shall enter into force from 1 January 2026)

(Law HO-339-N of 11 September 2024 has a transitional provision)

Article 6.2. Application of prescribed provisions on annual state duty to monthly and quarterly state duties

The provisions on annual state duty prescribed by this Law shall also be applied to monthly and quarterly state duties, unless otherwise provided for by this Law or unless they do not contradict the nature of the relations connected with the payment of monthly or quarterly state duties.

(Article 6.2 supplemented by HO-171-N of 20 November 2014)

CHAPTER III

| 25. | Except for the types of activities subject to licensing as referred to in points 3.1.1, 5.2, 9.1 to 9.6, 14.2, 17.1 to 17.6 and 18.14, for issuing a licence for carrying out the same type of activities subject to licensing in each additional place — annually: | in the amount of 50 percent of the state duty rate defined for issuing the given type of licence. |

Where pursuant to the Law of the Republic of Armenia “On licensing”, a licensee is obliged to carry out the activities subject to licensing only in the place stated in the licence, in case of simultaneous filing of applications for obtaining licences to perform the same activity subject to licensing in more than one place, the applicant may, on his or her own, choose the licence, wherefor the annual state duties defined by this Law are to be charged (paid) by the rates established by points 1 to 19 of this Article. In case the applicant fails to determine on his or her own and (or) inform the licensing authority, the latter shall determine upon its discretion under which licence for carrying out the same activity the annual state duty — defined by this Law at the rates established by points 1 to 19 of this Article — is subject to charging (payment).

Except for the licence granted based on the state duty paid at the rates defined by points 1 to 19 of this Article the annual state duties for granting a licence for an additional place shall be charged (paid) at the rates defined by point 25 of this Article, unless otherwise prescribed by the same point.

Where the licensee has obtained a licence (licences) by paying the annual state duty pursuant to point 25 of Article 19 of this Law, the duty paid pursuant to point 25 of Article 19 of this Law shall — from the day when the licence obtained on the basis of a state duty paid as prescribed by other points of Article 19 of this Law, is declared as invalid or is deemed as suspended by failure to pay the regular annual state duty prescribed within the specified time limit — be subject to surplus payment for any of these licences within a period of three days in the amount of 50 percent of the state duty rate prescribed by other points of Article 19 for issuing a licence to carry out the given activity. In case of failure to make the surplus payment within a period of three days, the licence (licences) issued on the ground of an annual state duty paid pursuant to point 25 of Article 19 of this Law shall be deemed as suspended from the day following the three-day period.

In case of renewal, for a period of full year (s), of a patent certificate, permission or licence deemed as object chargeable with an annual state duty by the authorised body, the annual state duty prescribed for issuing it shall continue to be paid by the general procedure for charging and paying annual state duty, as prescribed by this Law.

In case of renewal of a licence, patent certificate or permission solely for an incomplete year as prescribed by legislation, the annual state duty established by law shall be proportionally calculated and charged by the body responsible for charging a state duty, based on the number of months of the incomplete year of the renewed time limit of the licence (the validity period of a licence, patent certificate or permission may, as prescribed by the legislation, be renewed for an incomplete year exclusively for months).

5. ***(part repealed by HO-393-N of 8 December 2023)***

6. The licences for operating the inter-urban routes prescribed by this Article or prescribed by part 2 of this Article shall be issued by tax authority, exclusively through electronic means. In cases prescribed by part 2 of this Article, the natural persons carrying out passenger transportation shall be record-registered in the tax authority as prescribed by the Tax Code of the Republic of Armenia.

7. To obtain the licences prescribed by this Article the organisations and individual entrepreneurs shall before the last day of the month preceding each month, inclusive, submit to the tax authority exclusively through electronic means an Announcement on carrying out activities on operation of inter-urban route (hereinafter referred to in this Article as the "Announcement"). In case of commencing the activity ab initio, the organisations and individual entrepreneurs shall submit the Announcement to the tax authority before the day preceding the day of carrying out the activity irrespective of whether or not that day is a working day. The form and procedure for completing the Announcement shall be prescribed by the tax authority.

7.1. The organisation or the individual entrepreneur providing the passenger transportation service through the electronic platform shall submit the Announcement on the state duty calculated, levied and subject to payment to the State Budget for the passenger transportation carried out according to the order placed through the electronic service via the electronic platform, and the organisations, individual entrepreneurs and natural persons — in order to obtain a licence for carrying out passenger transportation by passenger-taxi cars — shall submit the Announcement on carrying out that activity to the tax authority exclusively through electronic means before the 10th day of the month following each month, inclusive. The forms and procedure for completing the Announcements mentioned in this part shall be prescribed by the tax authority.

8. In the case of increase in the number of buses, minivans with regard to the given activities carried out by organisations or individual entrepreneurs having obtained the licence prescribed by part 1 of this Article for any month, a new Announcement shall be submitted to the tax authority before the day preceding the day of increase, inclusive, in the aggregate of values of the number of buses, minivans presented previously for the given month and the number of buses, minivans added. In the case of increase in the number of buses, minivans, a state duty shall be calculated with regard to added seats of buses, minivans or number of buses, minivans under the general procedure prescribed by this Article. The state duty paid for each month with regard to the licence shall not be subject to return.

9. In the cases prescribed by this Article, the organisation or individual entrepreneur having submitted the Announcement shall, before the starting day of the given month, inclusive (in the case the activity commences ab initio— on the day the activity has commenced), be granted a licence, in a form established by the tax authority, with regard to the type (types) of activity and month indicated in the Announcement. In the case prescribed by part 8 of this Article, a new licence shall be granted to the organisation or individual entrepreneur on the day of adding the number of buses, minivans in the new Announcement, inclusive, in the aggregate of the number of buses, minivans, mentioned in the previous licence and the number of added buses, minivans, for the period including the date of adding the buses, minivans until the end of the month.

10. A single licence shall be granted to each organisation or individual entrepreneur for each month with regard to each type of activity prescribed by this Article.

11. The number of buses or minivans operated for the purpose of servicing the given route during the given month shall serve as a basis for calculation of state duty for operation of inter-urban route defined by part 1 of this Article, except for reserve vehicles. Moreover, the number of buses or minivans used for the purpose of calculation of state duty may not be less than the number of buses or minivans required for servicing the given route (except for reserve vehicles).

12. Within the meaning of application of this Article, the passenger transportation carried out by routes starting in the territory of the Republic of Armenia and not ending in the territory of the Republic of Armenia or starting beyond the territory of the Republic of Armenia and ending in the territory of the Republic of Armenia, as well as exclusively own intra-production (in-house) passenger transportation by a light passenger vehicle, bus, or minivan shall not be deemed as passenger transportation by a light passenger vehicle, bus or minivan.

13. In case of malfunctioning of a bus while carrying out regular passenger transportation by buses as prescribed by law, the organisation or individual entrepreneur having received a licence may substitute it during that month with a bus having the same or less number of seats, by informing the tax authority about it in advance as prescribed by the Government. The provisions of this part shall not apply to the route operation activities in the city of Yerevan and with the city of Yerevan.

14. The state duty prescribed by part 1 of this Article shall be paid to the State Budget for each month before the last day preceding the given month, inclusive (in case of commencing the activity ab initio, the day preceding the date of commencing the activity), and in case of adding the number of buses, minivans, before the day preceding the day of adding the number of buses, minivans, inclusive.

15. The state duty prescribed by part 2 of this Article shall be paid to the State Budget for each month prior the 10th day of the month following the given month, inclusive.

CHAPTER VI

THE PROCEDURE FOR CALCULATING, PAYING AND REFUNDING STATE DUTY AND THE RESPONSIBILITY OF THE OFFICIALS FOR OBSERVANCE OF THE PROCEDURE

Article 32. Charge of state duty

State duty shall be charged before the provision of the relevant service or the performance of the operation, unless another procedure is defined by this Law or certain privileges are provided to the payer in relation to state duty. Where a state duty is envisaged to be charged for issuing a licence and (or) each insert, issuing the duplicate copy of a licence and (or) each insert, renewal of the licence and (or) each insert, reformulation of the licence and (or) each insert, for implementation of the same activity subject to licensing in a different place, issuing a permission to implement activity or a duplicate copy of the document certifying the right to permission, renewal of a permission for implementation of activity and reformulation of a permission for implementation of activity, provision of the relevant service or performance of the operation shall be deemed to be communication or handing over to the applicant, in a due manner, the licence and (or) each insert, the duplicate copy of the licence and (or) each insert, the renewed licence and (or) each insert, the reformulated licence and (or) each insert, the licence and (or) each insert for implementation of the same activity subject to licensing in a different place, the document certifying the right to permission for implementation of activity, the duplicate copy of the document certifying the right to permission for implementation of activity, the document certifying renewal of the right to permission for implementation of activity, the document certifying the reformulation of the right to permission for implementation of activity, as well as relevant decisions thereon, respectively.

Where a state duty is envisaged for obtaining the right to perform activity subject to notification in cases prescribed by law, record-registration by an authorised body of the relevant person shall be deemed to be provision of the relevant service or performance of the operation.

Individual entrepreneurs and organisations with a licence for organising passenger transportations by one to four passenger taxis shall, in case of adding the quantity of passenger

taxis with more than four, as prescribed by the legislation, be obliged to pay a state duty in the amount of 100-fold of the base duty. The state duty must be paid before the quantity of motor vehicles becomes more than four, as prescribed by the legislation. In the case prescribed by this paragraph, irrespective of the date of payment of the state duty, the subsequent annual state duty for licence shall be paid within the time limit prescribed by Article 34 of this Law. Where individual entrepreneurs and organisations add the quantity of passenger taxis with more than four as prescribed by the legislation, they shall pay the subsequent annual state duty at the rate fixed by the second paragraph of sub-point 15.5 of Article 19 of this Law.

Where individual entrepreneurs and organisations make the quantity of passenger taxis four or less as prescribed by the legislation, they shall pay the subsequent annual state duty within the time limit, prescribed by Article 34 of this Law, at the rate fixed by the first paragraph of sub-point 15.5 of Article 19 of this Law.

The moment of the performance of operations and provision of services for the purposes of calculating and charging state duty shall be considered the moment of their completion.

In case of the exit of natural persons from the territory of the Republic of Armenia by means of air transport the moment of the provision of services shall be considered to be the moment of the flight.

In case of simultaneous performance of several operations or provision of several services, for which state duty is charged, the state duty shall be calculated separately for each operation or service, except for cases prescribed by this Law, and shall be transferred to the relevant bank account. The original of the document attesting the payment of state duty with an indication on the type of state duty, the name of the payer, the bank account number of the money transfer transaction and the date of the payment shall be kept with the body responsible for charging state duty, being attached to the files attesting the performance of operations and provision of services, unless otherwise provided for by the Government of the Republic of Armenia. Bodies performing relevant operations or providing relevant services shall pay the amounts of state duty (also in cash) to the bank (transfer to the budget) for the operations performed and the services provided by the diplomatic service agencies of the Republic of Armenia operating in foreign states within the first two banking days of the month following the performance of the relevant operations and the provision of the relevant services.

The types of state duty, which may be implemented in cash by the body or the official responsible for charging state duty shall be defined by the authorised body of the Government of the Republic of Armenia and be agreed with the Central Bank of the Republic of Armenia. In such cases bodies (responsible officers thereof) performing relevant operations or providing relevant services shall pay the amounts of charged (received) state duty to the bank (transfer to the budget) within two banking days following the performance of relevant operations and the provision of relevant services, with the exception of cases of the exit of natural persons from the territory of the Republic of Armenia by means of air transport where, upon the decision of the Government of the Republic of Armenia, the power of charging the state duty has been delegated to the organisations where the amounts of state duty are transferred to the State Budget in the manner prescribed by the Government. In such cases the air carriers of the Republic of Armenia and the representatives of foreign air carriers record-registered in the Republic of Armenia shall transfer the amounts of state duty included in the price of the passenger transportation ticket to the State Budget not later than within 10 banking days following the day of the actual flight, while in case of non-regular air transportations, as well as air transportations carried out by foreign organisations not having representations in the Republic of Armenia, the amounts of state duty shall be calculated and transferred to the State Budget by organisations exploiting airports, within 10 banking days following the day of the actual flight, irrespective of the receipt of transfers from the organisations carrying out air transportations.

In certain cases the power of charging state duty may be delegated, in the manner prescribed by the legislation, to enterprises, organisations, upon the decision of the Government of the Republic of Armenia. In such cases the relevant enterprises, organisations may establish payments for the compensation of expenses relating to the implementation of such powers (with the exception of the cases of sales of air transportation tickets and delegation of the power of charging state duty to organisations carrying out air transportations), the amount of which shall be agreed with the authorised body of the Government of the Republic of Armenia.

One fourth of the annual amount of the state duty defined by points 14.2.1 to 14.2.5 of Section 14 of Article 19 of the Law shall be paid quarterly to the State Budget until 25th day of the month preceding the beginning of the quarter inclusive, except for the first state duty charged for granting a licence, the relations pertaining to the payment whereof are regulated in the manner and time limits defined by the Law of the Republic of Armenia "On licensing" in the following amounts: the product of one twelfth of the annual amount of the state duty set forth by points 14.2.1 to 14.2.5 of Section 14 of Article 19 of the Law and the number of months, along with incomplete months, included in the period extending between the month the licence was granted and the last month of the given quarter.

The state duty defined by Article 19.9 of this Law shall be paid:

(a) under customs procedures, except for the customs procedure "Customs transit", as well as for temporary storage prior to the moment of release of the goods;

- (b) under the customs procedure "Customs transit" prior to the completion of customs transit;
- (c) for customs escort prior to the actual commencement of the customs escort;
- (d) for preliminary decisions prior to the issuance of preliminary decisions by the customs authorities;
- e) for filling in the customs declaration prior to submission of the application provided for by the Law "On customs regulation".

The amounts of the state duty prescribed by Articles 19.7, 19.8 and 19.14 of this Law shall be paid to the state budget within the time limits prescribed by these Articles. In case of alienation by natural persons of a car belonging thereto with the right of ownership to other natural persons, the time of provision of the service for registration or termination of the right of ownership over the given vehicle shall be considered as the time when the termination of the right of ownership over this car is registered.

In case the passenger transportation is carried out by an order placed through the passenger transportation service via the electronic platform, the powers for calculating and charging the state duty for each passenger transportation shall be delegated to the organisations or individual entrepreneurs providing passenger transportation service via the electronic platform, who will pay the state duty amounts charged in the amount prescribed by part 2 of Article 19.7 of this Law to the State Budget for each month by 10th day of the month following the given month, inclusive.

(Article 32 supplemented by HO-277 of 28 December 1998, amended by HO-123 of 13 December 2000, supplemented by HO-49-N of 25 December 2006, HO-241-N of 26 December 2008, amended by HO-85-N of 20 May 2010, supplemented by HO-203-N of 8 December 2010, HO-232-N of 6 December 12, HO-49-N of 29 April 2013, edited by HO-133-N of 23 December 2013, supplemented by HO-171-N of 20 November 2014, HO-124-N of 13 November 2015, edited by HO-123-N of 29 June 2016, supplemented by HO-167-N of 20 October 2016, amended, supplemented by HO-69-N of 25 June 2019, supplemented by HO-230-N of 14 November 2019, HO-356-N of 14 September 2022, HO-596-N of 23 December 2022, amended by HO-572-N of 16 December 2022, supplemented, amended by HO-432-N of 16 November 2022, supplemented by HO-393-N of 8 December 2023)

(Law HO-432-N of 16 November 2022 has a transitional provision)

(Law HO-572-N of 16 December 2022 has a final part and transitional provisions)

(Article with regard to the amendment to Law HO-290-N of 12 June 2024 shall enter into force from the 1st day of the 7th month following the month including the day of the official promulgation of the same Law)

Article 33. The peculiarities of charging state duty for actions of legal significance relating to the legal protection of inventions, industrial designs, plant species, trademarks, geographical indications, appellation of origin and traditional speciality guaranteed, trade names, integrated circuit topographies

(title amended by HO-14 of 26 October 1999, HO-123 of 13 December 2000, HO-62-N of 29 April 2010, supplemented by HO-234-N of 8 December 2017, amended by HO-110-N of 3 March 2021)

In case of separating the application for an object of industrial property, integrated circuit topographies into several separate applications, state duties for each separated application shall be paid in the same way as for a separate application.

Where the amount of the state duty paid for any operation provided for by Article 18 of this Law does not conform to the defined amount, the underpaid state duty shall be subject to payment within a two-month period following the receipt of the notification thereof.

State duties for granting a patent (a short-term patent) on inventions or a patent on industrial design shall be paid within the time limit specified by law after sending the decision of the authorised state body thereon, while state duties for registering and granting a certificate on plant species, trademarks, granting a certificate for registration and (or) use of geographical indications and appellation of origin, registering traditional speciality guaranteed shall be paid within the time limit specified by law following the receipt of the decision of the authorised state body thereon. The duties may also be paid within six months after the completion of that period. In this case, the amounts of the duties shall be increased by 50 percent, except for duties for registering trademarks and issuing certificates, the rates of which shall be increased by 20 percent.

Annually state duties in relation to legal protection of inventions, shall be paid for the whole year of the patent validity period. The first payment of the annual state duty shall be made before the beginning of the second year of the patent validity period or together with the state duty for granting a patent. State duties for extension of the period for protection of the rights to the industrial design shall be paid for each five years, calculated from the date of filing the application, moreover, state duty for the first five years shall be paid together with the state duty for granting a patent for an industrial design. State duty for each of the following five years shall be paid during the year preceding it.

The state duty defined by sub-point (e) of point 1 of part 1 of Article 18 of this Law shall be

subject to payment together with the defined state duty.

Where the state duty for granting a patent or a certificate has been paid at the rate increased by 50 percent, according to third part of this Article, within six months after the expiry of the defined period, the rates of other state duties subject to payment together with that duty shall remain unchanged.

State duties for each following year of a patent validity period shall be paid during the current year of the patent validity period. State duty for the following five years of the validity period of rights to industrial design shall be paid during the fifth year of the current validity period of those rights. State duties may also be paid within six months after the expiry of that period. In this case, the amounts of duties shall be increased by 50 percent.

State duty for extension of the validity period of registration of a trademark, as well as the validity period of the certificate of the right to use the geographical indications or the appellation of origin shall be paid during the tenth year of their validity period. State duty may also be paid within six months after the expiry of that period. In this case, the amount of the duty shall be increased by 50 percent, except for the duty for extending the validity period of registration of a trademark, the rate of which shall be increased by 20 percent.

The document attesting the payment of the state duty within the periods defined by the second, third, fourth, sixth and seventh parts of this Article shall be submitted to the body responsible for charging state duty not later than within 10 days after the expiry of that period. In case of failure to submit the document attesting the payment within the mentioned time limit, the state duty shall be considered as unpaid and the relevant operation shall not be performed or the service shall not be provided.

(Article 33 supplemented, amended by HO-277 of 28 December 1998, amended by HO-14 of 26 October 1999, amended, edited by HO-123 of 13 December 2000, amended, supplemented, edited by HO-113-N of 10 June 2008, amended by HO-62-N of 29 April 2010, supplemented by HO-156-N of 28 September 2016, HO-234-N of 8 December 2017, amended, edited by HO-110-N of 3 March 2021)

Article 33.1. Peculiarities of charging state duty for expert examinations in the field of regulation of circulation of medicines and medical products

1. Where the state duty paid for any operation provided for by Article 20.3 of this Law does not correspond to the amounts defined, the underpaid state duty shall be subject to payment within a period of 5 days upon the day of the receipt of the notification thereof.

2. The annual state duty for keeping the registration in force shall be paid for each next year after the registration, by the end of the current year.

3. For monitoring of safety of investigational products in the course of clinical trials, the state duty shall be paid for each next year after obtaining the permit for clinical trial, by the end of the current year. The annual state duty shall not be paid after the completion or termination of the clinical trial.

(Article 33.1 supplemented by HO-156-N of 11 April 2024)

Article 34. Responsibility for the accurate calculation and timely charge of state duty

State duty shall be calculated and charged by the officials delivering relevant services or performing relevant operations prescribed by this Law.

The responsibility for the accurate calculation and timely charge of state duty shall be vested in the officials delivering relevant services or performing relevant operations, while in case of the amounts charged (received) in cash, the responsibility of timely transfer of those amounts to the budget shall be vested in the official of the body responsible for charging state duty, and in case a violation is detected, through inspection in the body responsible for charging state duty, by the authorized body of the Government of the Republic of Armenia, exercising control over the observance of the procedure for calculation and charge of the state duty (in the case of services or actions chargeable with annual state duty— with regard to the first annual state duty), the above mentioned responsibility shall be vested in the body responsible for charging state duty.

The payment of the regular annual state duty for each upcoming year defined by this Law shall be made before the beginning of the upcoming year, not later than the date of issuing the documents (of rights, permissions, patent certificates, licences, qualification certificates) specified on such documents (of rights, permissions, patent certificates, licences, qualification certificates) as a result of provision of services or performance of operations which are chargeable with annual state duty by the authorised body, or not later than the date of record-registration of persons having submitted notifications on performing certain types of activities in the cases prescribed by law.

In case of a declaring the decisions of the authorised bodies on suspension, termination of the validity of patent certificate, permission, licence or qualification certificate for the activity or the right to perform activity subject to notification (except for the cases of non-payment of annual state duty) as invalid by way of superiority or through judicial procedure, the time limit for paying annual state duty defined by this part shall be extended for a period starting from the adoption of

the decision on suspension, termination of the validity of patent certificate, permission, licence or qualification certificate or the right to perform activity subject to notification till the entry into force of the act on declaring that decision as invalid.

In case the power to charge state duty is delegated to the organisations in the manner prescribed by Article 32 of this Law, where the amount of state duty not paid by them exceeds five million Armenian Drams within the period prescribed by this Law, the head of the authorised body of the Government of the Republic of Armenia exercising supervision over the procedure of calculation and charge of state duty shall impose attachment on bank accounts of organisations thus ensuring the fulfilment of the liabilities in relation to state duty. Moreover, the head of the authorised body of the Government of the Republic of Armenia shall have no right to renounce that attachment, unless the liabilities in relation to the state duty are fulfilled in full.

In case the passenger transportation is carried out by an order placed through the passenger transportation service via the electronic platform, the responsibility of charging the state duty, for each passenger transportation, prescribed by part 2 of Article 19.7 of this Law and paying it to the State Budget shall be borne by the organisations or individual entrepreneurs providing passenger transportation service via the electronic platform.

The payment of the subsequent monthly or quarterly state duty prescribed by sub-point 15.6 of Article 19 of this Law for each first upcoming month or quarter shall be made before the start of the upcoming month or quarter, respectively, not later than the issuance date of licences specified by the authorised body on the relevant licence.

(Article 34 supplemented by HO-277 of 28 December 1998, amended, supplemented by HO-283 of 14 December 2001, edited, supplemented by HO-11-N of 15 December 2005, supplemented by HO-241-N of 26 December 2008, supplemented, amended by HO-14-N of 26 February 2013, supplemented by HO-171-N of 20 November 2014, HO-124-N of 13 November 2015, HO-294-N of 21 December 2017, HO-393-N of 8 December 2023)

(Article with regard to the amendment of Law HO-339-N of 11 September 2024 shall enter into force from 1 January 2026)

(Law HO-339-N of 11 September 2024 has a transitional provision)

Article 35. Responsibility for delaying the charge of state duty

As a result of improper fulfilment by the officials responsible for charging state duty of the liabilities imposed on them, the amounts of state duty not charged to the budget within the defined time limits must be levied from them (and in case of detecting improper performance through complex tax inspection in the body responsible for charge of state duty or through inspection of the accuracy of calculation and charge of state duty, by the authorized body of the Government of the Republic of Armenia, exercising control over the observance of the procedure for calculation and charge of state duty — from the body responsible for charging state duty) to the State Budget together with a penalty calculated in the amount of 0.075 % for each overdue day.

The officials responsible for charging state duty (bodies responsible for charge of state duty) shall pay to the budget the amounts of the state duty not charged to the budget within the defined time limit, as well as the penalties calculated in compliance with the first part of this Article within ten days following the effective date of the act.

In case of failure to make the payment within the time limits defined for state duty payment by the payer having privileges in relation to delay of the time limit for state duty payment in the manner prescribed by this Law, as well as to make the payment of amounts of annual state duties prescribed by this Law and amounts of state duty prescribed by Articles 19.7 and 19.8 of this Law, the amounts of the state duty not paid to the budget must be levied from the payer (in the case prescribed by Article 32 of this Law — the organisation or individual entrepreneur responsible for charging the state duty prescribed by part 2 of Article 19.7 of this Law and for paying it to the State Budget) to the State Budget together with a penalty calculated in the amount of 0.075 % for each overdue day. Payers of annual state duty, as well as payers of the state duty (in the case prescribed by Article 32 of this Law — the organisation or individual entrepreneur responsible for charging the state duty prescribed by part 2 of Article 19.7 of this Law and for paying it to the State Budget) defined by Articles 19.7 and 19.8 of this Law shall pay to the budget the amounts of the state duty not paid to the budget within the established time limit, as well as penalties calculated in accordance with this Article deriving therefrom, within ten days following the effective date of the relevant act issued by the authorised body.

Charge of amounts of the state duty not charged or paid, as well as charge of penalties set forth in this Law deriving therefrom, shall be performed in the manner prescribed by Chapter 13 of the Law of the Republic of Armenia “On fundamentals of administration actions and administrative proceedings”.

In case of failure to mention the purpose of the payment (the number of the licence, permission, patent certificate or qualification certificate and liability period, and, in cases prescribed by law — only the liability period with respect to the record-registration of persons having submitted notifications on performing certain types of activities) in the documents attesting the payment of annual state duty or failure to submit a written statement on the purpose of the payment to the authorised body within a 30-day period after the payment, priority shall be given to the redemption

of the amounts of regular annual state duty (by a chronological order prescribed for their payment) at the expense of the amounts of annual state duty paid by annual state duty payer and only thereafter — to the liabilities in relation to the penalties of annual state duty prescribed by this Law. In case of failure to submit a written statement or to replace the purpose of the payment mentioned in the submitted statement with a new statement within the time limit mentioned in this part, the liabilities of annual state duty shall not be subject to recalculation.

In case of termination of notified activity of the validity of licences, patent certificates, permissions and qualification certificates earlier than the time limits specified by the legislation of the Republic of Armenia for the notified activity of the validity thereof— from the day of termination, in case of termination of notified activity of the validity of licences, patent certificates, permissions and qualification certificates upon an application — from the day of submitting the application (in case a later time limit for termination is specified in the application — from that day, and in case a time limit earlier than the date of submission of application is specified in the application — from the day of submission of the application), where the application is granted later, and in the case provided for by point 4 of part 1 of Article 61 of this Law — from the date of entry into force of the relevant law, penalties for overdue days shall not be calculated for the failure to make the payment within the time limits prescribed by this Law for the payment of the regular annual state duty having not been paid previously.

The penalty provided for by this Article shall be applied for the amount of the state duty not paid (not charged) on time, for the entire period after elapse of the period of payment thereof, but not more than for 730 days.
